

THE LIEUTENANT GOVERNOR OF ONTARIO
LE LIEUTENANT GOUVERNEUR DE L'ONTARIO

6 June 2009

I am pleased to extend greetings to the Editors' Association of Canada (EAC), as you gather for your annual conference, and to celebrate your 30th anniversary.

As an organization, you ably foster professional standards for editors across the country, and in this way, assist your members to produce high quality written communications. As well, you host professional development seminars, establish guidelines for the profession, offer networking opportunities, and participate with other organizations involved in the world of publishing.

As The Queen's representative in Ontario, I applaud the achievements of the EAC, offer my congratulations to this evening's award recipient, and to your first class of Certified Professional Editors.

Please accept my best wishes for an enjoyable evening as you celebrate this milestone anniversary.

A handwritten signature in black ink that reads "David C. Onley". The signature is written in a cursive style with a checkmark at the end.

David C. Onley
