## **Collaboration Tools**

Google Drive  
Dropbox  
Office 365  
Basecamp  
Asana  
Trello  
Todoist

*NB: This list includes resources, services, platforms, and organizations that we mention in the presentation (or plan to mention but may forget). We’re not necessarily endorsing or approving the items in the list; some are recommended, some are mentioned merely for information’s sake, and some are just for pointing at and laughing. We give you the list for reference only, so you needn’t ask, “What was that thing you mentioned?”*
